

## The Tree of Peace...Tree of Knowledge

The Tree of Peace Adult Education Program in Yellowknife, N.W.T., offers a supportive and friendly classroom environment. Students are encouraged to work toward personal as well as academic goals. Lessons are structured to motivate interest and achieve success in a wide variety of topics.

Subjects taught include math, language arts, science, geography, employment skills, native/social studies and computers.

Margaret Fatt gives a group presentation on stress management. Good communications and life-management skills are important for success in the workplace and school.

# Adult Basic Education Program

## The Tree of Peace Friendship Centre Adult Education Program

Imagine It...Success

The Tree of Peace Friendship Centre in Yellowknife, NWT, has been providing adult education services to Northern aboriginal peoples for more than 40 years.

Imagine your education as a stepping stone—to a satisfying career and better quality of life.

The Tree of Peace ALBE Program can help. It provides you with the basic skills required for further education and employment.

### Knowledge for Today and Tomorrow

The Tree of Peace ALBE Program is based on the N.W.T. Department of Education 110-120 curriculum. Subjects include: Math, English Language Arts, Science, Computers, Native/Social Studies and Career Skills. All subjects help us understand the global realities of today and the particular challenges of living in the N.W.T.

#### Adult Basic Education:

#### WIFM (What's In It For Me?)

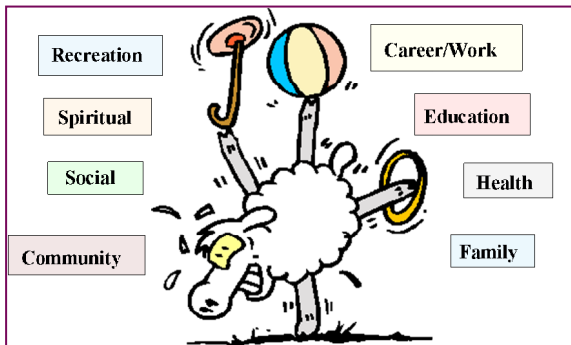

- Practical everyday skills
- Good team relationships
- Future personal & workplace success
- Higher self-esteem & confidence
- Stepping stone to higher education

Students check fish nets and then dress the fish at B.Dene Culture Camp. The Tree of Peace Adult Education Program includes Native and Social Studies.

Students do hands-on chemistry experiments as part of their Science lessons.

Adult Basic Education provides practice in managing and balancing busy lives.

"This is your life. It's time to make it the best it can be with what you have."

B. Mackenzie: "Old Friend New Enemy—Stress"
